ACHS Raiders Begin Practice

Football practice began for the Appomattox County High School Raiders football team last Thursday afternoon. The above picture was snapped Saturday morning about 7:00 a.m., just before the Raiders began their warm up exercises. Perhaps practice of this type is a good indication of the reason the Raiders can always end their season with such success.

Susan Oliver Speaks To Lions

President of the Lions Club, Eugene Peyton, on the left, introduces Miss Susan Oliver, at his right, to members of the Appomatox Lions Club at their meeting on Thursday evening, August 10th. Miss Oliver, daughter of Mr. and Mrs. L. W. Oliver of Red House, was guest speaker at the Thursday evening meeting.

In her talk, Susan told of her impressions and memories of Miami and the National Democratic Convention, at which she was an elected delegate from the fifth district.

The 19 year old delegate left for Miami uncommitted as to her choice for a nominee. She said that she was impressed by the tight credential check and never once saw a demonstration. Miss Oliver added, "I roamed the aisles with my instamatic camera, snapping pictures like crazy, there was always something going on — you didn't need any sleep, you just lived off excitement.

Boy Scouts Ready Tree Farms

Virginia Boy Scouts this summer are practicing forestry on woodlands owned by their organization in order to qualify them for acceptance into the American Tree Farm System on Aug. 25, according to Virginia Forests, Inc., local sponsor of the System.

On that date, the lands in Virginia, as well as Scout-owned properties in other states, will be dedicated simultaneously in observance of National Boy Scout Tree Farm Day.

To be accepted as a Tree Farm, the land must meet certain forestry standards and must be pledged to the growing and harvesting of repeated crops of trees and, where applicable, to serving for watershed protection, recreation, hunting and fishing.

Virginia currently has 797 registered Tree Farms with a total of 1,574,061 acres. Throughout the United States, more than 31,000 landowners today dedicate 74 million acres to the sound forest management required by the System's national administrator, the American Forest Institute in Washington, D.C.

Scouting groups with forested land within the state can obtain more information about qualifying for the American Tree Farm System by contacting Virginia Forests, Inc., 1 North Fifth Street, Richmond, Va. 23219.
